ROSWELL SEVENTH-DAY ADVENTIST CHURCH MISSION STATEMENT:
To reflect the love of Jesus Christ by serving unselfishly and living, preaching, and teaching the Three Angels messages of Revelation 14.

DAILY DEVOTIONAL

Memory Text: "The coming of the lawless one will be in accordance with the work of Satan displayed in all kinds of counterfeit miracles, signs and wonders."
2 Thessalonians 2:9, NIV

Careful of Counterfeits

"In Chicago, police raided a small store and found more than sixteen thousand counterfeit CDs and DVDs. Police near Atlanta arrested thirteen coconspirators on charges of making counterfeit copies. Police in North Wilkesboro, North Carolina, arrested two local men for possessing thousands of counterfeit CDs and DVDs. It is said that, in China, counterfeit CDs and DVDs are available before the originals are even released in the United States. And the counterfeit packaging is excellent quality! Many people can't tell the difference – until they play the movie or listen to the music. Even then, the counterfeits can be deceiving.

Satan is good at counterfeiting in the spiritual realm. He can produce signs and wonders and make his apostles look like Christ's apostles. Christians must be careful. Spiritual appearance is not a guarantee of spiritual integrity. We must "test the spirits to see whether they are from God," as John writes (1 John 4:1, NIV)."

*"There are powers that can counterfeit
almost anything in the Christian life."
